

Privacy Policy

Effective Date: 03/03/2024

This Privacy Policy explains how Matteo Ricupero, the creator of Photodi.sk, ("we," "us," or "our") collects, uses, and discloses personal information from users ("you" or "your") of the Photodi.sk service.

Information We Collect

User-Provided Information

To use the Photodi.sk service, you will need to create an account. During the account creation process, we may collect the following personal information:

- Name
- Email address
- Payment information (handled securely by Stripe)
- User-uploaded files

Automatically Collected Information

We may automatically collect the following information as you use the Photodi.sk service:

- Usage data, including but not limited to upload and download activity, storage space usage, and timestamps.
- Server logs, including IP addresses, browser type, and other technical information.

How We Use Your Information

We use the collected information for the following purposes:

- To provide and maintain the Photodi.sk service.
- To process payments and manage subscriptions through Stripe.
- To store and organize user-uploaded files securely on Backblaze servers.
- To monitor and improve the performance and security of our service.
- To communicate with you regarding your account, invoices, and other service-related matters.

Data Storage and Security

- User files are stored on Backblaze servers. Please refer to [Backblaze's Cloud Storage Security](#) for details on their security practices.
- User data, including personal information, is stored on MongoDB servers via MongoDB Atlas.

Data Access and Sharing

- We do not sell or share your personal information with third parties for marketing purposes.
- User-uploaded files are accessible by the owner or by the service provider.

User Controls and Choices

- Users can download their data at any time, subject to payment for the storage space used.
- Users have real-time access to their storage usage and upcoming billing information.
- Users can manage their subscription and payment details through the Stripe service.

Payments and Billing

- Payments for subscription plans are processed securely through the Stripe service.
- Users are billed monthly based on the actual storage space used, according to the pricing plan in use.
